Good evening Dual Credit Parents/Students;

We wanted to send out a reminder that all dual credit payments will be made directly to Eastfield college, this will allow for parents to receive tax documents (1098-T) for the 2020 tax year. Students will be registered for their Dual Credit courses with Eastfield between July 26th - August 1st. An email will be sent to the student's email address (that is on file through Eastfield) once they have been completely registered and payment is open. Please wait for this email, as student's may be registered for multiple courses. **Payment window will be open from August 2nd - August 6th, deadline for dual credit payment will be August 6th.** Please review the below information that may answer some questions that may arise:
