

School is out for the summer, but planning is already underway in Forney ISD for the 2020-2021 school year. We are planning and preparing for a regular start to our school year. However, after reviewing TEA's recommendations, the district is adjusting our calendar to fit the needs of our community while providing opportunities for a contingency plan in the event of an unexpected temporary facility closure.

The start date of Monday, August 17, 2020 has not changed, but some days during the year were adjusted, along with additional potential dates at the end. We encourage families to not plan vacation until after June 4, 2021.
